# ABOUT US

Cryptocurrencies are digital tokens. They are a type of digital currency that allows people to make payments directly to each other through an online system. Cryptocurrencies have no legislated or intrinsic value; they are simply worth what people are willing to pay for them in the market. What is cryptocurrency? Cryptocurrency (or “crypto”) is a digital currency, such as Bitcoin, that is used as an alternative payment method or speculative investment. Cryptocurrencies get their name from the cryptographic techniques that let people spend them securely without the need for a central government or bank.

# WHAT IS CRYPTO TRADING

Crypto trading involves buying and selling cryptocurrencies on an exchange, either by speculating on price movements (using CFDs) or by directly purchasing and holding the underlying coins. Can I buy Bitcoin for 100 Indian Rupees? Yes, you can buy Bitcoin for 100 Indian Rupees on Mudrex. Mudrex allows you to start investing in Bitcoin with as little as 100 Indian Rupees, making it accessible for anyone looking to enter the cryptocurrency market without a large initial investment.
